

Denmark - Olar High School

"Home of the Mighty Vikings"
Dr. Deonia Simmons, Principal

November 30, 2020

Dear Viking Fan:

Due to the health and safety challenges created by the coronavirus pandemic, the South Carolina High School League has implemented some guidelines that are expected to reduce the risk of exposure to the coronavirus for all persons at athletic events. As a result, all schools in South Carolina are limited to the number of fans permitted to attend athletic events. While we regret that we are unable to allow all of our fans to attend games in person, we must comply with the rules that govern all athletic teams in South Carolina. As we prepare for the start of the 2020-2021 basketball season, it is important that I share following information:

- Only 200 tickets will be sold for each home game. It should be noted that 40 of the aforementioned tickets will be sent to the visiting school to be sold to the visiting team's fans. The remaining 160 tickets will be sold to Denmark-Olar High School fans on a first come, first serve basis.
- For fans who desire to purchase a season ticket, please be advised that season tickets will be sold for a slightly discounted price of \$70 (\$8.00 per game x 9 games = \$72.00). While it is not required for a fan to purchase a season ticket, it is the fan's only way to ensure he/she will have a ticket for each home game.
- **Special Note:** If all season tickets are not sold, the remaining tickets will be sold at Denmark-Olar High School on the day of a scheduled game from 10:00A.M. to 2:00P.M. or until all tickets are sold.
- All fans must purchase their ticket before the game, as there will be no tickets sold at the door.
- All persons entering the gym will be required to wear a mask and practice social distancing.
- We are happy to announce that Denmark-Olar High School has partnered with the National Federation of State High Schools Association. As a part of our partnership, the National Federation of State High Schools Association will be installing a camera in our gymnasium on Wednesday, December 9, 2020. Once the camera is installed, all home games (Varsity, Junior Varsity, and middle school) may be viewed virtually on the National Federation of State High Schools Association website for a fee \$10.00 per month. It should be noted that the fee will be paid directly to the National Federation of State High Schools Association, not the school. The information pertaining to how to pay and access the National Federation of State High Schools Association's site will be made public after the camera is installed.

On behalf of the entire Denmark-Olar High School Athletic Department, we apologize that we are not able to permit all fans to attend, but we must comply with the guidelines that have been established by the South Carolina High School League.

Thank you for your continued support.

Sincerely,

Deonia A. Simmons, Ed.D.
