Proviso 1A.17 requires that “school districts utilizing this provision to retain the teaching supplies funding for purposes other than reimbursement to the teacher must publicly display on the school district’s website the number of jobs saved through the use of these funds and to electronically forward the report on jobs saved to the Department of education no later than December 31 of the current fiscal year to be compiled in a report for electronic presentation to the General Assembly by January 15 of the current fiscal year.”

For the 2010-11 school year, Proviso 1A.17 allows districts to use the teacher supply allocation to provide \$275.00 to teachers for supplies as has been the practice in the past or to use this funding to reduce the need for furlough and/or a reduction in force. Bamberg School District Two has chosen to use the funds to avoid the elimination of .5 teaching position.
