September 10, 2020

Because our teachers and staff have not had the opportunity to move their supplies and materials to the new and renovated school, students will have to continue with another week of all virtual learning. Each school is trying extremely hard to practice social distancing as well as monitoring and teaching virtual classes daily. These issues have caused the teachers and staff to use alternative and scheduled moving in practices.

Hybrid classes should begin on Monday, September 21. Buses will run their regular routes. Lunch will be served to all persons up to age 18, and parents will receive notice of the lunch schedule for students after September 24.
