October 6, 2020

Because of the difficulties some students are experiencing with two-day schedules and connectivity, the district has decided to move to a four-day school week beginning Tuesday, October 13, 2020.

Monday, October 12, is a built in inclement weather day, so no school will be held. Students will return on Tuesday and continue classes through Thursday. Friday will be a virtual day so students will complete their assignments from home. Fridays will also be used to deep clean the classrooms and teachers will have the afternoons for professional development. Students who are virtual will remain on the same schedule. Their assignments will continue to be virtual for the entire week.
