November 18, 2020

Dear Parents,

First, allow me to thank you for your constant cooperation and support during this difficult time of the presence of COVID19 in our nation, community and schools. This letter is to inform and not alarm you about our concern about the COVID19 virus and its impact on Denmark-Olar Schools and students. Currently, we have been sending 6-8 students home with fevers and headaches and we want to be proactive in our approach for the safety of our students, our families and ourselves.

We have met and discussed how we can ensure that we make the best decisions for our students. It has been decided that the best process for now is to have the students receive virtual instruction for the remainder of this week, November 19-20, and for Monday, November 23, and Tuesday, November 24. Teachers will provide instruction virtually during those days. Schools will be closed November 25-27 for the Thanksgiving holidays. Students will return to school on Monday, November 30. Hopefully, the break in face-to-face instruction will allow for cessation of contact and spread of the virus.

Again, thank you for understanding and cooperating with the district in our efforts to maintain safety for everyone. Should you have questions, please contact the school principals.

Sincerely,

Dr. Thelma F. Sojourner
Superintendent
